

How to Find Score Disclosures

Access the existing credit file in the program, and click on **'Score Disclosures'** from the **Other Reports** dropdown.

The screenshot shows the Birchwood Credit Services interface. At the top, it says "BIRCHWOOD CREDIT SERVICES" and "Main |> Credit File". Below this, there are two main sections. The left section contains credit file details: "FILE #: 3991127", "REF #: TESTCASE", "APPLICANT: MARISOL L TESTCASE - *****0001", "CO-BOR:", "ADDR: 220 LOCUST AVE, ANTHILL, MO 65488", and "PREV:". The right section is titled "VIEW REPORT" and contains a list of reports: "RMCR (11/4/2020)", "Prequal Analyzer", and a dropdown menu labeled "-- Other Reports --". The dropdown menu is open, showing "Other Reports" and "SCORE DISCLOSURE" (which is highlighted with an orange circle). Other options in the dropdown include "CONSUMER COPY", "CONSUMER EXPLANATION LETTER", and "CREDITORS".

The **Score Disclosures** will show, and you can select in the dropdown menu in the top left to change the format. View, Print/Save as a PDF, or print the **Score Disclosure** using the **'Share'** option in the top right.

The screenshot shows a dropdown menu for "Score Disclosure" with the following options: "Risk Based Pricing (H3 Mortgage) - Mid score only", "Risk Based Pricing (H3 Mortgage) - All scores", "Risk Based Pricing (H3 Mortgage) - All scores merged", "Risk Based Pricing (H4 Non-Mortgage) - Mid score only", "Risk Based Pricing (H4 Non-Mortgage) - All scores", "Risk Based Pricing (H4 Non-Mortgage) - All scores merged", and "Score Disclosure". The "Score Disclosure" option is highlighted with an orange circle. In the top right corner of the dropdown menu, there is a "Share" button (circled in orange) and a "Close" button. The background shows the report number "REPORT #: 3991127" and the reference number "REFERENCE #: TESTCASE".

Contact Birchwood if you'd like to change the default viewing format of the **Score Disclosure** page, or to have the **Score Disclosure** automatically appear at the end of every credit report.
