How to Order Mortgage Only

The 'Mortgage Only Report' filters the credit data on file to display only the mortgage tradelines. You can access the 'Mortgage Only Report' in the credit file screen, after pulling the report, under the 'Other Reports' dropdown menu.

After selecting the 'Mortgage Only Report,' a report will appear that contains only tradeline information. There are selections in the top left, specifying different options for the information you want displayed on the Mortgage Only Report - including Mortgage With Score, Mortgage With Score and Factors, Mortgage With Score, Factors and Public Records and lastly, Mortgage Only.
